

March 1, 1973

(Start of Belt #5)

SPEAKER: LB 255. Is Senator Schmit here? Senator Schmit appears not to be here. If nobody else wants to take up this bill, it is a Committee bill. We will proceed to the first bill which is 112A.

CLERK: Mr. President, may I read a report (inaudible)

SPEAKER: Yes, that Senator Marsh's bill. While we are waiting for her, the clerk has a message on his desk.

CLERK: Mr. President, there is a notice of Committee Hearing from the Retirement Committee that will be inserted in the Journal. Signed, Senator Whitney, Chairman. Mr. President, your Committee on Enrollment and Review--read.

SPEAKER: While the Legislature is in session and capable of transacting business, I am about to sign and do sign LB 76, 102, 102A, LB 249.

CLERK: Mr. President, we have one new bill. Read title. LB 514.

SPEAKER: The bill will be referred to the Referral Committee.

CLERK: Mr. President, an explanation of vote. Read.

SPEAKER: Any further messages, Mr. Clerk?

CLERK: None, Mr. President.

SPEAKER: Is Senator Marsh in the Chamber? Senator Carpenter.

SENATOR CARPENTER: 112. That's the bill we discussed yesterday with the Senator Marsh's bill. I am presuming and it's only presumption, we passed the bill over. There is no reason why we can't pass this bill over and tie it to the other bill on Final Reading and I wouldn't want anybody to do anything about the bill, so I move we advance from General File to E & R for Initial with that understanding.

SPEAKER: The clerk will read the title.

CLERK: Read title. LB 112A.

SPEAKER: Any discussion. If not, Senator Carpenter, do you care to close on your motion.

SENATOR CARPENTER: No. If those people who might be opposed to any part of this bill or the other one, when it gets on Final Reading, you have an opportunity to do it there. Under the Rules, you read 112 first and then you read the "A" bill immediately after. That's so you don't gain anything by holding this bill on General File. I move it be advanced.

SPEAKER: Are you ready for the question? The question is shall bill 112A be advanced. All those in favor vote aye. Those opposed vote no. We are voting on the advancement of bill 112A. Senator Marsh has just come into the Chambers. Senator Carpenter made the motion to advance the bill. Have you all voted? Senator Marsh.

SENATOR MARSH: May I ask for a Call of the House, please. Some of the Senators are still out in the rotunda.

SPEAKER: Senator Marsh has asked for a Call of the House. The clerk will clear the Board. All those in favor of a Call of the House vote aye. Those opposed vote no. Have you all voted? The House is under Call. The clerk will record.

CLERK: 21 ayes, Mr. President, to go under Call.

SPEAKER: The House is under Call. Please record your pre-
